This policy is a consumer insurance contract. This means you have a duty under the *Insurance Contracts Act 1984* (Cth) to take reasonable care not to make a misrepresentation to us (your duty).

Your duty applies before you enter into the policy, and also before you renew, extend, vary or reinstate the policy. Before you do any of these things, we may ask you questions and use the answers in deciding to insure you, and anyone else to be insured under the policy, and on what terms. To ensure you meet your duty, your answers to our questions must be honest and correct.

If you fail to comply with your duty, we may be able to reduce or deny any claim that you make or cancel your policy, or both. If your failure is fraudulent, we may be able to refuse to pay your claim and treat your policy as never having existed.
