- Privacy Consent Forms

4. CUSTOMER DECLARATION

I / We the applicants for finance

- Declare that all the information in this application is complete, true and correct.
- Declare that the Business Manager has explained this application and the documents provided to me, and I / We have read and understood this application and those documents.
- Declare the financial information (if applicable) provided as summarised above is a complete, true and correct representation of my / our financial situation.
- Declare that the loan/lease is being used to finance the purchase of the vehicle for predominantly business purposes.
- Discussed with the Business Manager the loan/lease attributes.
- Discussed with the Business Manager the structure of the loan (e.g. term, balloon/GFV, structured repayments) and all items included in the total amount financed (e.g. insurances, negative equity, options/accessories etc) and the impact(s) this can have on the overall total cost of the loan/lease and my / our ability to repay the loan amount.
- If applicable, the Business Manager has explained the features and requirements of the Guaranteed Future Value feature, including the Fair Wear & Tear Guidelines. I/we have selected the Guaranteed Future Value feature to apply to the Vehicle Loan after the Business Manager discussed it with me/us.
- If applicable, the Business Manager discussed the impacts of refinancing another existing loan, including additional fees, charges, break costs that may result from doing this.
- If applicable, declare I / We have chosen to finance the premium for one or more insurance products and confirm that each product meets needs and the Business Manager has explained the benefits of each policy, when each policy commences, applicable exclusions, the costs of the insurance product(s) and the impact and cost of including the premium in the amount financed.
